- The arrest of a loved one is stressful.
- The only way to get out of jail faster is to speed up the bail bond process.
- The following steps can expedite the bail bond process:

Contact a Bail Bond Agent

- Call the bail bond agency as soon as possible to help get the process started.

Gather All Relevant Information

- Gather as much information as possible in order to ensure that the bail bond agent has all the necessary information. This will help the bail bond agent to start the process swiftly. This information includes the details of the charges, the inmate number and the amount of bail set by the judge.

Find Out the Bail Bond Schedule

- Jails often post bail bond schedules specifying bail amounts for common charges. Finding out the schedule will make it easier on your bail bond agent.
